

2026 Parent Payment Contributions - Foundation

19 November 2025

Dear Parents and Carers,

We are looking forward to another great year of teaching and learning at Lloyd Street School in 2026. As we plan and prepare our programs, it is important to acknowledge that it is only with your ongoing support that we can continue to offer the best possible education with inclusive resources and additional curriculum experiences.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum. While we assure you that contributions are voluntary, your ongoing financial support and commitment ensures that Lloyd St can offer a higher quality and more targeted and diverse education, supporting every child to reach their potential.

Thank you for your contribution and support, particularly the voluntary financial contributions which allow us to operate a unique educational program at LSS. The simple reality is many aspects of the school and our students' education are not possible without your support.

In 2025, your parent contributions supported:

- The outstanding specialist programs in Art, Music, French and PE
- English and Maths specialist leadership roles
- Enhanced technology access through infrastructure upgrades
- The purchase of new wellbeing resources for classrooms and online materials
- The extension of targeted learning interventions
- New decodable texts for junior classes
- New maths resources across the school
- New teaching resources, displays and books for our Library
- Dedicated passionate staff in our Library space supporting students and staff
- New class sets of novel study texts for all levels across the school
- Grounds and maintenance staff to improve the appearance and safety in outdoor spaces

In line with the Department of Education policies, we would like to advise you of Lloyd Street School's voluntary financial contributions for 2026.
