Definitions

A mobile phone or other device with access to a cellular (telecommunication) system, with or without a physical connection to a network.

Policy

Lloyd Street School understands that students may bring a personal mobile phone or other smart device to school, particularly if they are travelling independently to and from school.

At Lloyd Street School:

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones or smart devices must not be used at Lloyd Street School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Lloyd Street school are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone or smart device to school unless there is a compelling reason to do so. Please note that Lloyd Street School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Lloyd Street school will provide secure storage in the office area. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Lloyd Street School students are required to store their phones or devices in their school bags or at the office.
